

## MEMBERS ONLY

When you click on the “Login/Register” button on the home page you’ll be asked to identify what type of participant you are:

Once you identify yourself as a Member, you will be directed to the Member Login page that you are already familiar with. Enter your Username and Password as you normally would, then click “Log In.”

You will be redirected to the password re-set page. Enter your new password and retype to confirm it.

## Update Your Password

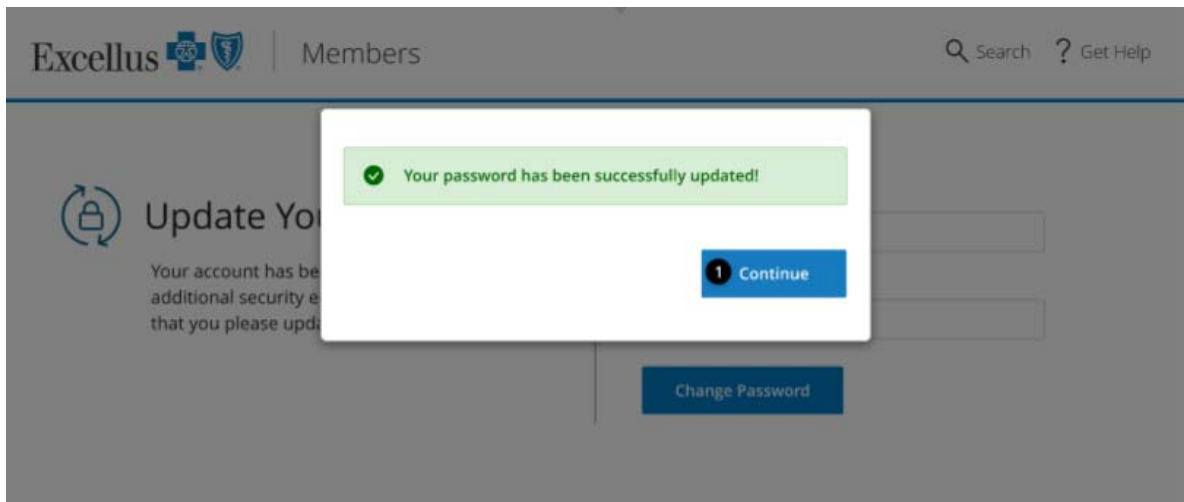

Your account has been updated with additional security enhancements. We require that you please update your password.

**New Password \***

**Confirm Password \***

[Update Password](#)

Once all information has been entered correctly, your new password will be approved and ready for use for future logins.

The screenshot shows the 'Update Your Password' page with a modal dialog box in the center. The modal has a green header with a checkmark icon and the text 'Your password has been successfully updated!'. Below the message is a blue button with a white '1' and the text 'Continue'. The background page is dimmed, showing the 'Update Your Password' heading and a 'Change Password' button at the bottom.
